

## OUR Vision

Our vision is of a future where people with intellectual disabilities are contributing members of our communities and have the supports they need to have healthy, safe, and active lives.

I hope you will accept my sincere thanks on behalf of our clients and their families who you have already helped by making our vision ... your vision. Thanks to supporters like you, Favarh clients continue to grow their independence through gainful employment, creative housing, and healthy lifestyles.

But it is only with your help that our vision will be real for everyone. There is so much more to do.

### Can I count on you?

This event is our largest fundraiser of the year. All proceeds go to support our programs and services for our clients and their families. There are so many ways to participate: become a sponsor; purchase a table for your friends, family, or employees; place an ad in our event program book; come to the event.

Please, share our Vision and help to make it real for everyone.

Humbly,

*Stephen E. Morris*

Michael DelGuidice is a well-known, world class, respected Long Island multi-instrumentalist. He is backed by one of the most dynamic and seasoned bands in the industry, many of which tour with Billy Joel.

The show is packed with hit after chart-topping hit in a high energy, interactive stage performance. Along with sound-alike renditions of Billy Joel's music, they will also astonish you with songs by Paul McCartney, Elton John, The Beatles, Journey, Chicago, and many others including original songs from Michael's recently released CDs.
