

Favarh Players Presents

Dear Family and Friends of Favarh,

As many of you know, Favarh was formed in 1958 by a dedicated group of parents who fought for their children with intellectual disabilities to receive access to an education. Today, we are asking for your support as we continue to expand access to educational programs to our community.

The Favarh Players Theater program is a perfect example of a program that utilizes education to help its participants achieve their personal best. Through theater, actors with and without disabilities learn to listen, communicate effectively, interact and depend upon fellow actors, and build confidence while boosting self-esteem. It's so incredible to see the growth and development of the actors who have participated....and to witness the pure joy and happiness that permeates the program- it just can't be matched!

This year the Players will be presenting Disney's The Little Mermaid, Jr. at Northwest Catholic School in West Hartford, Connecticut April 24 -26, 2026. It's going to be an enchanting time in the underwater kingdom!

But... We Need Your Help to make this program possible.

Despite careful planning and budgeting, this year's theater program expenses will exceed last year's and are estimated at \$47,000.00. Some of these expenses include facility rental, director, choreographer, lighting and sound, set build and costuming. The enrollment fees cover only a fraction of the costs, and we are committed to keeping enrollment affordable for families.

That's why we turn to you each year for support. Your generosity ensures the program remains accessible and continues to inspire both actors and audiences. Looking ahead, we're also actively building an endowment that will secure the program's future for generations to come. With your help, we can sustain today's productions while investing in tomorrow's opportunities.

Please consider becoming a program sponsor to help keep the Favarh Players Theater Program sustainable. Each and every donation makes a difference. We welcome monetary donations of any size and appreciate any baskets or gift cards for our teacup raffle. More information is available at www.favarh.org/theater.

Thank you for supporting our efforts.
